About the CIL Fireside Chat Series 2013

Following the successful run of the *CIL Fireside Chat Series on International Law and Diplomacy* in 2012, CIL is pleased to announce that the *CIL Fireside Chat Series* will return in 2013.

Hosted by Prof S Jayakumar and Prof Tommy Koh, two of Singapore's eminent diplomats and international lawyers, the *CIL Fireside Chat Series* will explore the interplay between diplomacy and international law by inviting leading experts on international affairs to share their insights on important global issues. The *CIL Fireside Chat Series* provides a rare opportunity for attendees to have a free and frank discussion with renowned authorities on critical topics which have challenged the international community.

There are five chat sessions scheduled in 2013 which will focus on current international issues such as the South China Sea disputes, the practice of international law by government officials, international humanitarian law, ASEAN and human rights as well as the crisis in Syria. For more information on each session, please refer to the CIL Website (www.cil.nus.edu.sg).
