  - (c) Where a Product Specific Rule requires that the materials used have undergone CTC or a specific manufacturing or processing operation, the rules shall apply only to non-originating materials.

### ARTICLE 6 CALCULATION OF REGIONAL VALUE CONTENT

1. For the purposes of Article 5 (Not Wholly Obtained or Produced Goods), the formula for calculating RVC is as follows:

or

- (b) Indirect /Build-down Method

$$\text{RVC} = \frac{\text{FOB Price} - \text{Value of Non-Originating Materials, Parts or Produce}}{\text{FOB Price}} \times 100\%$$

2. For the purposes of calculating the RVC provided in paragraph 1:
- (a) **AHKFTA Material Cost** is the value of originating materials, parts or produce that are acquired or self-produced by the producer in the production of the good;
  - (b) **Value of Non-Originating Materials, Parts or Produce** is the CIF value at the time of importation or the earliest ascertained price paid for all non-originating materials, parts or produce that are acquired by the producer in the production of the good; non-originating materials include materials of undetermined origin;
  - (c) **Direct labour cost** includes wages, remuneration and other employee benefits associated with the manufacturing process;
  - (d) **Direct overhead cost** includes, but is not limited to, real property items associated with the production process (insurance, factory rent and leasing, depreciation on buildings, repair and maintenance, taxes, interests on mortgage); leasing of and interest payments for plant and equipment; factory security; insurance (plant, equipment and materials used in the manufacture of the goods); utilities (energy, electricity, water and other utilities directly attributable to the production of the goods); research, development, design and engineering; dies, moulds, tooling and the depreciation, maintenance and repair of plant and equipment; royalties or licences (in connection with patented machines or processes used in the manufacture of the goods or the right to manufacture the goods); inspection and testing of materials and the goods; storage and handling in the factory; disposal of recyclable wastes; and cost elements in computing the value of raw materials, i.e. port and clearance charges and import duties paid for dutiable component; and
  - (e) **Other Costs** are the costs incurred in placing the good in the ship or other means of transport for export including, but not limited to, domestic transport costs, storage and warehousing, port handling, brokerage fees and service charges.
3. The value of goods under this Chapter shall be determined in accordance with the Customs Valuation Agreement. The Parties shall harmonise, to the extent possible, administrative procedures and practices in the assessment of value of goods for customs purposes.

## ARTICLE 7 ACCUMULATION

Unless otherwise provided in this Agreement, a good which complies with the origin requirements provided herein and which is used in another Party as a material for a finished good eligible for preferential tariff treatment shall be considered to be originating in the latter Party where working or processing of the finished goods has taken place.

**ARTICLE 8**

**ARTICLE 12**  
**ACCESSORIES, SPARE PARTS AND TOOLS**

1. If a good is subject to the requirements of CTC or specific manufacturing or processing operation, the origin of accessories, spare parts, tools and instructional or other information materials presented with the good shall not be taken into account in determining whether the good qualifies as an originating good, provided that:
  - (a) the accessories, spare parts, tools and instructional or other information materials are not invoiced separately from the good; and

- (b) the quantities and value of the accessories, spare parts, tools and instructional or other information materials are customary for the good.
2. If a good is subject to a RVC-based rule of origin, the value of the accessories, spare parts, tools and instructional or information materials shall be taken into account as the value of the originating or non-originating materials, as the case may be, in calculating the RVC of the good.

### **ARTICLE 13 NEUTRAL ELEMENTS**

In order to determine whether a good is an originating good, it shall not be necessary to determine the origin of the following which might be used in its production and not incorporated into the good:

- (a) fuel and energy;

### **ARTICLE 15 CERTIFICATE OF ORIGIN**

Unless otherwise provided for in this Chapter, a claim that a good is eligible for preferential tariff treatment shall be supported by a Certificate of Origin (Form AHK) issued by an issuing authority designated by the exporting Party and notified to the other Parties in accordance with Annex 3-1 (Operational Certification Procedures).

## **ARTICLE 2 SCOPE**

1. This Chapter applies to measures by a Party affecting trade in services.
2. For the purposes of this Chapter, measures by a Party means measures taken by:
  - (a) central, regional, or local governments or authorities; and
  - (b) non-governmental bodies in the exercise of powers delegated by central, regional, or local governments or authorities.
3. In fulfilling its obligations and commitments under this Chapter, each Party shall take reasonable measures as may be available to it to ensure their observance by regional and local governments and authorities and non-governmental bodies within its Area.
4. This Chapter shall not apply to measures affecting:
  - (a) government procurement;
  - (b) cabotage in maritime transport services;
  - (c) subject to Article 13 (Subsidies), subsidies or grants including government-supported loans, guarantees, and insurance, provided by a Party or to any conditions attached to the receipt of such subsidies or grants, whether or not such subsidies or grants are offered exclusively to domestic services, service consumers or service suppliers;
  - (d) services supplied in the exercise of governmental authority within the Area of each respective Party; or
  - (e) in respect of air transport services, traffic rights however granted; or services directly related to the exercise of traffic rights, other than measures affecting:
    - (i) aircraft repair and maintenance services;
    - (ii) the selling and marketing of air transport services; and
    - (iii) computer reservation system services.
5. The Parties note the multilateral negotiations pursuant to the review of the *GATS Annex on Air Transport Services*. Upon the conclusion of such multilateral negotiations, the Parties shall conduct a review for the purpose of discussing appropriate amendments to this Chapter so as to incorporate the results of such multilateral negotiations.
6. Nothing in this Chapter shall apply to measures affecting natural persons seeking access to the employment market of another Party, nor shall it apply to measures regarding citizenship, residence or employment on a permanent basis.
7. For greater certainty, this Chapter shall not prevent a Party from applying measures to regulate the entry of natural persons of another Party into, or their temporary stay in, its Area, including those measures necessary to protect the integrity of, and to ensure the orderly movement of natural persons across, its borders, provided that such measures are not applied in such a manner as to nullify or impair the benefits accruing to another Party under the terms as set out in Article 19 (Schedule of Specific Commitments) of the Party applying the

measures<sup>9</sup>.

### **ARTICLE 3 TRANSPARENCY**

Article III of GATS is incorporated into and shall form an integral part of this Chapter, *mutatis mutandis*.

### **ARTICLE 4 DISCLOSURE OF CONFIDENTIAL INFORMATION**

Article III bis of GATS is incorporated into and shall form an integral part of this Chapter, *mutatis mutandis*.

### **ARTICLE 5 DOMESTIC REGULATION**

1. In sectors where specific commitments are undertaken, each Party shall ensure that all measures of general application affecting trade in services are administered in a reasonable, objective and impartial manner.
2. (a) Each Party shall maintain or institute as soon as practicable judicial, arbitral or administrative tribunals or procedures which provide, at the request of an affected service supplier, for the prompt review of, and where justified, appropriate remedies for, administrative decisions affecting trade in services. Where such procedures are not independent of the agency entrusted with the administrative decision concerned, the Party shall ensure that the procedures in fact provide for an objective and impartial review.  
  
(b) The provisions of subparagraph (a) shall not be construed to require a Party to institute such tribunals or procedures where this would be inconsistent with its constitutional structure or the nature of its legal system.
2. Where authorisation is required for the supply of a service on which a specific commitment under this Chapter has been made, the competent authorities of each Party shall:
  - (a) in the case of an incomplete application, at the request of the applicant, identify all the additional information that is required to complete the application and provide the opportunity to remedy deficiencies within a reasonable timeframe;
  - (b) within a reasonable period of time after the submission of an application considered complete under its internal laws and regulations, inform the applicant of the decision whether or not to grant the relevant authorisation;
  - (c) at the request of the applicant, provide without undue delay information concerning the status of the application; and
  - (d) if an application is terminated or denied, to the maximum extent possible, inform the applicant in writing and without delay the reasons for such action. The applicant will have the possibility of resubmitting, at its discretion, a new application.
4. With the objective of ensuring that measures relating to qualification requirements and procedures, technical standards and licensing requirements do not constitute unnecessary barriers to trade in services, the Parties shall jointly review the results of the negotiations on disciplines on these measures, pursuant to paragraph 4 of Article VI of GATS, with a view to their incorporation into this Chapter. The Parties note that such disciplines aim to ensure that such requirements are, *inter alia*:

---

<sup>9</sup> The sole fact of requiring a visa for natural persons of another Party and not for those of a non-Party shall not be regarded as nullifying or impairing benefits accruing to another Party under the terms of a specific commitment.

- (a) based on objective and transparent criteria, such as competence and the ability to supply the service;
  - (b) not more burdensome than necessary to ensure the quality of the service; and
  - (c) in the case of licensing procedures, not in themselves a restriction on the supply of the service.
5. (a) In sectors in which a Party has undertaken specific commitments, pending the incorporation of the disciplines referred to in paragraph 4, that Party shall not apply licensing and qualification requirements and technical standards that nullify or impair such specific commitments in a manner which:
- (i) does not comply with the criteria outlined in subparagraph 4 (a), 4 (b) or 4 (c); and
  - (ii) could not reasonably have been expected of that Party at the time the specific commitments in those sectors were made.
- (b) In determining whether a Party is in conformity with the obligation under subparagraph (a), account shall be taken of international standards of relevant international organisations<sup>10</sup> applied by that Party.
6. In sectors where specific commitments regarding professional services are undertaken, each Party shall provide for adequate procedures to verify the competence of professionals of any other Party.
7. Where a Party maintains measures relating to qualification requirements and procedures, technical standards and licensing requirements, the Party shall endeavour to make publicly available:
- (a) information on requirements and procedures to obtain, renew or retain any licences or professional qualifications; and
  - (b) information on technical standards.
8. In respect of non-governmental bodies which are not exercising governmental authority or are not administering mandatory domestic regulations, each Party shall endeavour to encourage them to comply, where appropriate, with the provisions of this Article.

## **ARTICLE 6 RECOGNITION**

1. For the purposes of fulfilment, in whole or in part, of their respective standards or criteria for the authorisation, licensing or certification of service suppliers, and subject to the requirements of paragraph 4, each Party may recognise the education or experience obtained, requirements met, or licences or certifications granted in another Party. Such recognition, which may be achieved through harmonisation or otherwise, may be based upon an agreement or arrangement between the Parties or the relevant competent bodies of the Parties or may be accorded autonomously.
2. Two or more Parties may enter into, or encourage their relevant competent bodies to enter into, negotiations on recognition of qualification requirements, qualification procedures, licensing and/or registration procedures for the purposes of fulfilment of their respective standards or criteria for the authorisation, licensing or certification of service suppliers.
3. A Party that is a party to an agreement or arrangement of the type referred to in paragraph 1, whether existing or future, shall afford adequate opportunity for other interested Parties to negotiate their accession to such an agreement or arrangement or to negotiate comparable

---

<sup>10</sup> The term "relevant international organisations" refers to international bodies whose membership is open to the relevant bodies of at least all Parties of this Agreement.

ones with it. Where a Party accords recognition autonomously, it shall afford adequate opportunity for any other Party to demonstrate that education, experience, licences, or certifications obtained or requirements met in that other Party's Area should be recognised.

4. A Party shall not accord recognition in a manner which would constitute a means of discrimination among the Parties in the application of its standards or criteria for the authorisation, licensing or certification of services suppliers, or a disguised restriction on trade in services.

#### **ARTICLE 7 MONOPOLIES AND EXCLUSIVE SERVICE SUPPLIERS**

1. Each Party shall ensure that any monopoly supplier of a service in its Area does not, in the supply of the monopoly service in the relevant market, act in a manner inconsistent with that Party's obligations under specific commitments.
2. Where a Party's monopoly supplier competes, either directly or through an affiliated company, in the supply of a service outside the scope of its monopoly rights and which is subject to that Party's specific commitments, the Party shall ensure that such a supplier does not abuse its monopoly position to act in its Area in a manner inconsistent with such commitments.
3. If any Party has reason to believe that a monopoly supplier of a service of any other Party is acting in a manner inconsistent with paragraph 1 or 2, that Party may request the Party establishing, maintaining or authorising such supplier to provide specific information concerning the relevant operations.
4. The provisions of this Article shall also apply to cases of exclusive service suppliers, where a Party, formally or in effect:
  - (a) authorises or establishes a small number of service suppliers; and
  - (b) substantially prevents competition among those suppliers in its Area.

#### **ARTICLE 8 BUSINESS PRACTICES**

1. The Parties recognise that certain business practices of service suppliers, other than those falling under Article 7 (Monopolies and Exclusive Service Suppliers), may restrain competition and thereby restrict trade in services.
2. Each Party shall, at the request of any other Party (the "Requesting Party"), enter into consultations with a view to eliminating practices referred to in paragraph 1. The Party addressed (the "Requested Party") shall accord full and sympathetic consideration to such a request and shall co-operate through the supply of publicly available non-confidential information of relevance to the matter in question. The Requested Party shall also provide other information available to the Requesting Party, subject to its internal law and to the conclusion of satisfactory agreement concerning the safeguarding of its confidentiality by the Requesting Party.

## **ARTICLE 9 SAFEGUARDS**

1. The Parties note the multilateral negotiations pursuant to Article X of GATS on the question of emergency safeguard measures based on the principle of non-discrimination. Upon the conclusion of such multilateral negotiations, the Parties shall conduct a review for the purpose of discussing appropriate amendments to this Chapter so as to incorporate the results of such multilateral negotiations.
2. In the event that the implementation of this Chapter causes substantial adverse impact to a service sector of a Party before the conclusion of the multilateral negotiations referred to in paragraph 1, the affected Party may request for consultations with the other Party for the purposes of discussing any measure with respect to the affected service sector. Any measure taken pursuant to this paragraph shall be mutually agreed by the Parties concerned. The Parties concerned shall take into account the circumstances of the particular case and give sympathetic consideration to the Party seeking to take a measure.

## **ARTICLE 10 PAYMENTS AND TRANSFERS**

1. Except under the circumstances envisaged in Article 11 (Restrictions to Safeguard the Balance of Payments), a Party shall not apply restrictions on international transfers and payments for current transactions relating to its specific commitments.
2. Nothing in this Chapter shall affect the rights and obligations of any Party who is a member of the International Monetary Fund (the "Fund") under the Articles of Agreement of the Fund, including the use of exchange actions which are in conformity with the Articles of Agreement of the Fund, provided that a Party shall not impose restrictions on any capital transactions inconsistently with its specific commitments regarding such transactions, except under Article 11 (Restrictions to Safeguard the Balance of Payments) or at the request of the Fund.

## **ARTICLE 11 RESTRICTIONS TO SAFEGUARD THE BALANCE OF PAYMENTS**

Where a Party is in serious balance-of-payments and external financial difficulties or threat thereof, it may adopt or maintain restrictions on trade in services in accordance with Article XII of GATS.

## **ARTICLE 12 SECURITY EXCEPTIONS**

Nothing in this Chapter shall be construed to:

- (a) require any Party to furnish any information, the disclosure of which it considers contrary to its essential security interests; or
- (b) prevent any Party from taking any action which it considers necessary for the protection of its essential security interests, including but not limited to:
  - (i) action relating to fissionable and fusionable materials or the materials from which they are derived;
  - (ii) action relating to the traffic in arms, ammunition and implements of war and to such traffic in other goods and materials as is carried on directly or indirectly for the purpose of supplying a military establishment;
  - (iii) action taken so as to protect critical public infrastructures including communications, power and water infrastructures from deliberate attempts intended to disable or degrade such infrastructures;
  - (iv) action taken in time of war or other emergency in domestic or international relations;

or

- (c) prevent any Party from taking any action in pursuance of its obligations under the *United Nations Charter* for the maintenance of international peace and security.

### **ARTICLE 13 SUBSIDIES**

1. Except as provided in this Article, this Chapter shall not apply to subsidies or grants provided by a Party, or to any conditions attached to the receipt or continued receipt of such subsidies or grants, whether or not such subsidies or grants are offered exclusively to domestic services, service consumers or service suppliers. If such subsidies or grants significantly affect trade in services committed under this Chapter, any Party may request for consultations with a view to an amicable resolution of this matter.
- (a) Pursuant to this Article, the Parties shall:
- (b) on request, provide information on subsidies related to trade in services committed under this Chapter to any requesting Party; and
- (c) review the treatment of subsidies when relevant disciplines are developed by the WTO.

### **ARTICLE 14 WTO DISCIPLINES**

Subject to any future agreements as may be agreed pursuant to reviews of this Chapter by the Parties under Article 23 (Review), the Parties hereby agree and reaffirm their commitments to abide by the provisions of the agreements under the framework of WTO Agreement as are relevant and applicable to trade in services.

### **ARTICLE 15 INCREASING PARTICIPATION OF CAMBODIA, LAO PDR, MYANMAR AND VIET NAM**

The increasing participation of Cambodia, Lao PDR, Myanmar, and Viet Nam in this Chapter shall be facilitated through negotiated specific commitments, relating to:

- (a) the strengthening of their domestic services capacity and its efficiency and competitiveness, inter alia, through access to technology on a commercial basis;
- (b) the improvement of their access to distribution channels and information networks;
- (c) the liberalisation of market access in sectors and modes of supply of export interest to them; and
- (d) appropriate flexibility for Cambodia, Lao PDR, Myanmar, and Viet Nam for opening fewer sectors, liberalising fewer types of transactions and progressively extending market access in line with their respective level of development.

### **ARTICLE 16 MARKET ACCESS**

1. With respect to market access through the modes of supply identified in subparagraph (r) of Article 1 (Definitions), a Party shall accord services and service suppliers of any other Party treatment no less favourable than that provided for under the terms, limitations and conditions agreed and specified in its Schedule.<sup>11</sup>

---

<sup>11</sup> If a Party undertakes a market-access commitment in relation to the supply of a service through the mode of supply referred to in subparagraph (r) (i) of Article 1 (Definitions) and if the cross-border movement of capital is an essential part of the service itself, that Party is thereby committed to allow such movement of capital. If a Party undertakes a market-access commitment in relation

2. In sectors where market-access commitments are undertaken, the measures which a Party shall not maintain or adopt either on the basis of a regional subdivision or on the basis of its entire Area, unless otherwise specified in its Schedule, are defined as:
- (a) limitations on the number of service suppliers whether in the form of numerical quotas, monopolies, exclusive service suppliers or the requirements of an economic needs test;
  - (b) limitations on the total value of service transactions or assets in the form of numerical quotas or the requirement of an economic needs test;
  - (c) limitations on the total number of service operations or on the total quantity of service output expressed in terms of designated numerical units in the form of quotas or the requirement of an economic needs test;<sup>12</sup>
  - (d) limitations on the total number of natural persons that may be employed in a particular service sector or that a service supplier may employ and who are necessary for, and directly related to, the supply of a specific service in the form of numerical quotas or the requirement of an economic needs test;
  - (e) measures which restrict or require specific types of legal entity or joint venture through which a service supplier may supply a service; and
  - (f) limitations on the participation of foreign capital in terms of maximum percentage limit on foreign shareholding or the total value of individual or aggregate foreign investment.

#### **ARTICLE 17 NATIONAL TREATMENT**

1. In the sectors inscribed in its Schedule, and subject to any conditions and qualifications set out therein, each Party shall accord to services and service suppliers of any other Party, in respect of all measures affecting the supply of services, treatment no less favourable than that it accords to its own like services and service suppliers.<sup>13</sup>
2. A Party may meet the requirement of paragraph 1 by according to services and service suppliers of any other Party, either formally identical treatment or formally different treatment to that it accords to its own like services and service suppliers.
3. Formally identical or formally different treatment shall be considered to be less favourable if it modifies the conditions of competition in favour of services or service suppliers of the Party compared to like services or service suppliers of any other Party.

#### **ARTICLE 18 ADDITIONAL COMMITMENTS**

The Parties may negotiate commitments with respect to measures affecting trade in services not subject to scheduling under Article 16 (Market Access) and Article 17 (National Treatment) including those regarding qualifications, standards or licensing matters. Such commitments shall be inscribed in a Party's Schedule.

#### **ARTICLE 19 SCHEDULE OF SPECIFIC COMMITMENTS**

1. Each Party shall set out in a schedule the specific commitments it undertakes under Article 16 (Market Access), Article 17 (National Treatment) and Article 18 (Additional Commitments).

<sup>12</sup> Subparagraph 2 (c) does not cover measures of a Party which limit inputs for the supply of services.

<sup>13</sup> Specific commitments assumed under this Article shall not be construed to require any Party to compensate for any inherent competitive disadvantages which result from the foreign character of the relevant services or service suppliers.

With respect to sectors where such commitments are undertaken, each Schedule shall specify:

- (a) the sectors in which such commitments are undertaken;
  - (b) terms, limitations and conditions on market access;

#### **ARTICLE 21 MODIFICATION OF COMMITMENTS**

1. A Party may modify or withdraw any commitment in its Schedule (the "modifying Party") at any time after three years from the date on which that commitment has entered into force, provided that:
  - (a) the modifying Party notifies the other Parties as well as the ASEAN Secretariat of its intention to modify or withdraw a commitment no later than three months before the intended date of implementation of the modification or withdrawal; and
  - (b) the modifying Party enters into negotiations with any affected Party to agree to the necessary compensatory adjustment.
2. In achieving a compensatory adjustment, the Parties concerned shall ensure that the general level of mutually advantageous commitment is not less favourable to trade than provided for in the Schedules prior to such negotiations.
3. Any compensatory adjustment pursuant to this Article shall be accorded on a non-discriminatory basis to all Parties.
4. If the Parties concerned are unable to reach an agreement on the compensatory adjustment, the matter shall be resolved by arbitration under Chapter 13 (Consultations and Dispute Settlement). The modifying Party may not modify or withdraw its commitment until it has made compensatory adjustments in conformity with the findings of the arbitration.
5. If the modifying Party implements its proposed modification or withdrawal and does not comply with the findings of the arbitration, any Party that participated in the arbitration may modify or withdraw substantially equivalent benefits in conformity with those findings. Notwithstanding Article 20 (Application and Extension of Commitments), such a modification

or withdrawal may be implemented solely with respect to the modifying Party.

## **ARTICLE 22 CONTACT POINT**

1. Each Party shall designate a contact point to facilitate communications among the Parties on any matter covered by this Chapter, including the exchange of information relevant to the implementation and operation of this Chapter.
2. At the request of any Party, the contact point of the requested Party shall identify the office or official responsible for the matter and assist in facilitating communication with the requesting Party.

## **ARTICLE 23 REVIEW**

2. The Parties may, at the reviews pursuant to paragraph 1, enter into negotiations to negotiate further improvements to specific commitments under this Chapter so as to progressively liberalise trade in services between the Parties.

3. The Complaining Party shall simultaneously provide a copy of such request to all other Parties. The Responding Party shall immediately acknowledge receipt of the request by way of notification to all the Parties, indicating the date on which the request was received.
4. Where a request is made pursuant to paragraph 1, an arbitral tribunal shall be established in accordance with Article 11 (Establishment and Re- convening of an Arbitral Tribunal).

#### **ARTICLE 9 PROCEDURES FOR MULTIPLE COMPLAINANTS**

1. The Parties to the disputes should seek to establish a single arbitral tribunal whenever feasible.
2. The single arbitral tribunal shall organise its examination and present its findings in such a manner that the rights which the Parties to the dispute would have enjoyed had separate arbitral tribunals examined the complaints are in no way impaired.
3. If more than one arbitral tribunal is established to examine the complaints related to the same matter, the Parties to the disputes shall endeavour to ensure that the same persons serve as arbitrators for each arbitral tribunal. The arbitral tribunals shall consult each other to ensure, to the greatest extent possible, that the timetables for the arbitral tribunal processes are harmonised.

#### **ARTICLE 10 THIRD PARTY**

1. Any Party having a substantial interest in a matter before an arbitral tribunal may notify the Parties to the dispute of its interest no later than 10 days after the date of receipt by the Responding Party of the request for the establishment of the arbitral tribunal or the date of a request for a Compliance Review Tribunal pursuant to Article 16 (Compliance Review). The Third Party shall simultaneously provide any submission or other document submitted by it to the Parties to the dispute and all other Third Parties.
4. The Parties to the dispute may agree to provide additional or supplemental rights to Third Parties regarding participation in arbitral tribunal proceedings. In providing additional or supplemental rights, the Parties to the dispute may impose conditions. Unless the Parties to the dispute otherwise agree, the arbitral tribunal shall not grant any additional or supplemental rights to Third Parties regarding participation in arbitral tribunal proceedings.
5. If a Third Party considers that a measure already the subject of an arbitral tribunal proceeding nullifies or impairs benefits accruing to it under this Agreement, such Party may have recourse to dispute settlement procedures under this Chapter.

**ARTICLE 11**  
**ESTABLISHMENT AND RE-CONVENING OF AN ARBITRAL TRIBUNAL**

1. An arbitral tribunal requested pursuant to Article 8 (Request for Establishment of an Arbitral Tribunal) shall be established in accordance with this Article.

To assist in reaching this agreement, each of the Parties to the dispute may provide to the other Party or Parties to the dispute a list of up to three nominees for appointment as the chair of the arbitral tribunal. Where there is more than one Complaining Party, the list of up to three nominees shall be jointly provided by the Complaining Parties. If the Parties to the dispute fail to agree on the chair of the arbitral tribunal within 15 days after the appointment of the second arbitrator, the two appointed arbitrators shall designate by common agreement the third arbitrator who shall chair the arbitral tribunal.
5. If any of the three arbitrators has not been appointed within 45 days after the date of the receipt of a request under paragraph 3 of Article 8 (Request for Establishment of an Arbitral Tribunal), any Party to the dispute may request the Director-General of the WTO to make the remaining appointments within a further period of 15 days. Any lists of nominees which were provided under paragraph 4 shall also be provided to the Director-General of the WTO and may be used in making the required appointments. In the event that the Director-General of the WTO is a national<sup>19</sup> of any Party to the dispute, the Deputy Director-General of the WTO or the officer next in seniority who is not a national of any Party to the dispute shall be requested to make the necessary appointments.
6. The date of establishment of the arbitral tribunal shall be the date on which the last arbitrator is appointed.

8. Unless the Parties to the dispute otherwise agree, arbitrators shall not be nationals of any Party to the dispute. In addition, the chair of an arbitral tribunal shall not have his or her usual place of residence in any Party to the dispute.
9. All Parties shall not give arbitrators instructions or seek to influence them as individuals with regard to matters before an arbitral tribunal.
10. If an arbitrator appointed under this Article resigns or becomes unable to act, a successor arbitrator shall be appointed in the same manner as prescribed for the appointment of the original arbitrator and shall have all the powers and duties of the original arbitrator. The work of the arbitral tribunal shall be suspended during the appointment of the successor arbitrator.
11. Where an arbitral tribunal is re-convened under Article 16 (Compliance Review) or Article 17 (Compensation and Suspension of Concessions or other Obligations), the re-convened arbitral tribunal shall, where possible, have the same arbitrators as the original arbitral tribunal. Where this is not possible, any replacement arbitrator shall be appointed in the same manner as prescribed for the appointment of the original arbitrator, and shall have all the powers and duties of the original arbitrator.

## **ARTICLE 12 FUNCTIONS OF AN ARBITRAL TRIBUNAL**

1. An arbitral tribunal shall make an objective assessment of the matter before it, including an objective assessment of:

The arbitral tribunal shall make its findings in accordance with this Agreement.

3. The arbitral tribunal shall set out in its report:

  - (b) its findings on the facts of the case and on the applicability of the relevant provisions of this Agreement;
  - (c) its findings on whether the Responding Party has failed to carry out its obligations under this Agreement, and its recommendations, if any, for the resolution of the matter; and
  - (d) its reasons for its findings in subparagraphs (b) and (c).

4. In addition to paragraph 3, an arbitral tribunal may include in its report any other findings relating to the dispute jointly requested by the Parties to the dispute. The arbitral tribunal may recommend ways in which the Responding Party could implement such findings.
5. Unless the Parties to the dispute otherwise agree, an arbitral tribunal shall base its report solely on the relevant provisions of this Agreement, the submissions and arguments of the Parties to the dispute and, if applicable, Third Parties and any other information provided to the arbitral tribunal pursuant to paragraph 8 of Article 13 (Arbitral Tribunal Procedures). The submissions of Third Parties shall be reflected in the report of the arbitral tribunal.
6. The interests of the Parties to the dispute and those of other Parties shall be fully taken into account during the arbitral tribunal proceedings.
7. The findings and recommendations of the arbitral tribunal referred to in paragraph 2 cannot add to or diminish the rights and obligations provided in this Agreement.
8. The arbitral tribunal shall consult the Parties to the dispute regularly and provide adequate opportunities for the development of a mutually satisfactory solution to the dispute.

An arbitral tribunal re-convened under this Chapter shall also carry out functions with regard to compliance review under Article 16 (Compliance Review) and review of level of suspension of concessions or other obligations under Article 17 (Compensation and Suspension of Concessions or other Obligations). Paragraphs 1 to 3 shall not apply to an arbitral tribunal re-convened under Article 16 (Compliance Review) and Article 17 (Compensation and Suspension of Concessions or other Obligations).
10. An arbitral tribunal shall make its decisions by consensus. If an arbitral tribunal is unable to reach consensus, it may make its decisions by majority vote. ### **ARTICLE 13 ARBITRAL TRIBUNAL PROCEDURES**

1. An arbitral tribunal established pursuant to Article 11 (Establishment and Re-convening of an Arbitral Tribunal) shall adhere to this Chapter. Unless the Parties to the dispute otherwise agree, the arbitral tribunal shall apply the rules of procedure set out in Annex 13-1 (Rules of Procedure for Arbitral Tribunal Proceedings). On the request of a Party to the dispute, or on its own initiative, the arbitral tribunal may, after consulting the Parties to the dispute, adopt additional rules of procedure which do not conflict with the provisions of this Chapter or with Annex 13-1 (Rules of Procedure for Arbitral Tribunal Proceedings).
2. An arbitral tribunal re-convened under Article 16 (Compliance Review) or Article 17 (Compensation and Suspension of Concessions or other Obligations) may, in consultation with the Parties to the dispute, establish its own procedures which do not conflict with this Chapter or Annex 13-1 (Rules of Procedure for Arbitral Tribunal Proceedings), drawing as it deems appropriate from this Chapter or Annex 13-1 (Rules of Procedure for Arbitral Tribunal Proceedings).

#### Timetable

3. After consulting the Parties to the dispute, an arbitral tribunal shall, as soon as practicable and whenever possible within 15 days after the establishment of the arbitral tribunal, fix the timetable for the arbitral tribunal process. The arbitral tribunal process, from the date of establishment until the date of the final report shall, as a general rule, not exceed a period of 150 days, unless the Parties to the dispute otherwise agree.

4. Similarly, a Compliance Review Tribunal re- convened pursuant to Article 16 (Compliance Review) shall, as soon as practicable and whenever possible within 15 days after re- convening, fix the timetable for the compliance review process taking into account the time periods specified in Article 16 (Compliance Review).

#### Arbitral Tribunal Proceedings

5. The procedures for arbitral tribunal proceedings should provide sufficient flexibility so as to ensure high- quality reports, while not unduly delaying the arbitral tribunal process.

#### Confidentiality

6. The deliberations of an arbitral tribunal shall be confidential.

#### Additional Information and Technical Advice

7. The Parties to the dispute and Third Parties shall respond promptly and fully to any request by an arbitral tribunal for any information as the arbitral tribunal considers necessary and appropriate.
8. An arbitral tribunal may, after consulting the Parties to the dispute, seek information and technical advice from any individual or body which it deems appropriate. The arbitral tribunal shall provide the Parties to the dispute with any information or technical advice it receives and an opportunity to provide comments. For greater certainty, where the arbitral tribunal takes the information or technical advice into account in the preparation of its report, it shall also take into account any comments by the Parties to the dispute on the information or technical advice.

#### Reports

9. The arbitral tribunal shall provide an interim report to the Parties to the dispute that meets the requirements specified in paragraph 3 of Article 12 (Functions of an Arbitral Tribunal).
10. In exceptional cases, if the arbitral tribunal considers it cannot present its interim report within 90 days, or within 60 days in cases of urgency, it shall inform the Parties to the dispute in writing of the reasons for the delay together with an estimate of the period within which it will present its report. Unless the Parties to the dispute otherwise agree, any delay shall not exceed a further period of 30 days.
11. A Party to the dispute may submit written comments on the interim report to the arbitral tribunal within 10 days after receiving the interim report or within such period as the Parties to the dispute may agree.
12. After considering any written comments by the Parties to the dispute and making any further examination it considers necessary, the arbitral tribunal shall present its final report to the Parties to the dispute within 30 days after presentation of the interim report, unless the Parties to the dispute otherwise agree. The final report shall set out any further arguments made by the Parties to the dispute on the interim report.
13. The interim and final reports of the arbitral tribunal shall be drafted without the presence of the Parties to the dispute. Opinions expressed by individual arbitrators in the reports of the arbitral tribunal shall be anonymous.
14. The arbitral tribunal shall provide its final report to all other Parties seven days after the report is presented to the Parties to the dispute, and at any time thereafter a Party to the dispute may make the report publicly available subject to the protection of any confidential information contained in the report.

**ARTICLE 14**  
**SUSPENSION AND TERMINATION OF PROCEEDINGS**

1. The Parties to the dispute may agree that the arbitral tribunal suspends its work at any time for a period not exceeding 12 months from the date of such agreement. In such event, the Parties to the dispute shall jointly notify the chair of the arbitral tribunal. Within this period, the suspended arbitral proceedings shall resume upon the request of any Party to the dispute. If the work of the arbitral tribunal has been continuously suspended for more than 12 months, the authority for the establishment of the arbitral tribunal shall lapse unless the Parties to the dispute otherwise agree.
2. The Parties to the dispute may agree to terminate the proceedings of an arbitral tribunal by jointly notifying the chair of the arbitral tribunal at any time, in the event that a mutually satisfactory solution to the dispute has been found before the presentation of the final report to the Parties to the dispute.
3. Before the arbitral tribunal presents its final report, it may, at any stage of the proceedings, propose that the Parties to the dispute seek to settle the dispute amicably.
4. The Parties to the dispute shall notify all other Parties that the arbitral tribunal has been suspended or its authority has lapsed pursuant to paragraph 1 or has been terminated pursuant to paragraph 2.

**SECTION D**  
**IMPLEMENTATION PROVISIONS**

**ARTICLE 15**

3. If it is impracticable to comply immediately with the obligation in paragraph 1, the Responding Party shall have a reasonable period of time to do so.
4. If a reasonable period of time is required, it shall, whenever possible, be mutually agreed by the Parties to the dispute. Where the Parties to the dispute are unable to agree on the reasonable period of time within 45 days from the date of the presentation of the arbitral tribunal's final report to the Parties to the dispute, any Party to the dispute may request that the arbitral tribunal determines the reasonable period of time. Unless the Parties to the dispute otherwise agree, such request shall be made no later than 120 days from the date of the presentation of the arbitral tribunal's final report to the Parties to the dispute.
5. Where a request is made pursuant to paragraph 4, the arbitral tribunal shall present the Parties to the dispute with a report containing a determination of the reasonable period of time and the reasons for such determination within 45 days from the date of the request.

6. As a guideline, the reasonable period of time determined by the arbitral tribunal should not exceed 15 months from the date of the presentation of the arbitral tribunal's final report to the Parties to the dispute. However, its duration may be shorter or longer, depending upon the particular circumstances.

## **ARTICLE 16**

### **COMPLIANCE REVIEW**

1. Where the Parties to the dispute disagree on the existence or consistency with this Agreement of measures taken to comply with the obligation in paragraph 1 of Article 15 (Implementation), such dispute shall be decided through recourse to an arbitral tribunal re-convened for this purpose ("Compliance Review Tribunal").<sup>20</sup> Unless otherwise specified in this Chapter, a Compliance Review Tribunal may be convened at the request of any Party to the dispute.
2. The request for re-convening an arbitral tribunal under paragraph 1 may only be made after the earlier of:
  - (a) the expiry of the reasonable period of time as determined under Article 15 (Implementation); or
  - (b) a notification to the Complaining Party by the Responding Party that it has complied with the obligation in paragraph 1 of Article 15 (Implementation), including a description of how the Responding Party has complied with such obligation.
3. A Compliance Review Tribunal shall make an objective assessment of the matter before it, including an objective assessment of:

  - (b) whether the Responding Party has complied with the obligation in paragraph 1 of Article 15 (Implementation).
4. The Compliance Review Tribunal shall set out in its report:

5. The Compliance Review Tribunal shall, where possible, provide its report to the Parties to the dispute within 60 days from the date it re-convenes. When the Compliance Review Tribunal considers that it cannot provide its report within the 60-day period, it shall inform the Parties to the dispute in writing of the reasons for the delay together with an estimate of the period within which it will submit the report. Unless the Parties to the dispute otherwise agree, it may extend the 60-day period for a maximum of 30 days.
6. Where an arbitral tribunal is requested to re-convene pursuant to paragraph 1, it shall re-convene within 15 days from the date of the request, unless paragraph 10 of Article 11 (Establishment and Re-convening of an Arbitral Tribunal) applies.

## **ARTICLE 17**

### **COMPENSATION AND SUSPENSION OF CONCESSIONS OR OTHER OBLIGATIONS**

1. Compensation and suspension of concessions or other obligations are temporary measures available in the event that the Responding Party does not comply with its obligation under paragraph 1 of Article 15 (Implementation). However, neither compensation nor suspension of concessions or other obligations is preferred to compliance with the obligation under paragraph 1 of Article 15 (Implementation). Compensation is voluntary and, if granted, shall be consistent with this Agreement.
2. Where either of the following circumstances exists:
  - (a) the Responding Party has notified the Complaining Party that it does not intend to comply with the obligation in paragraph 1 of Article 15 (Implementation); or

the Responding Party shall, if so requested by the Complaining Party, enter into negotiations with a view to developing mutually acceptable compensation.

3. If no satisfactory compensation has been agreed within 30 days from the date of a request made under paragraph 2, the Complaining Party may at any time thereafter notify the Responding Party and all other Parties that it intends to suspend the application to the Responding Party of concessions or other obligations equivalent to the level of nullification and impairment, and shall have the right to begin suspending concessions or other obligations 30 days after the date of receipt of the notification by the Responding Party.
4. The right to suspend concessions or other obligations arising under paragraph 3 shall not be exercised where:
  - (a) a review is being undertaken pursuant to paragraph 8; or
  - (b) a mutually agreed solution has been reached.
5. In considering what concessions or other obligations to suspend pursuant to paragraph 3, the Complaining Party shall apply the following principles:
  - (a) the Complaining Party should first seek to suspend concessions or other obligations in the same sector or sectors as that affected by the measure; and
  - (b) the Complaining Party may suspend concessions or other obligations in other sectors if it considers that it is not practicable or effective to suspend concessions or other obligations in the same sector or sectors.
6. A notification made under paragraph 3 shall specify the level of concessions or other obligations that the Complaining Party proposes to suspend, and the relevant Chapter or Chapters and sector or sectors which the concessions or other obligations are related to. In the case where the Complaining Party suspends concessions or other obligations in other sectors pursuant to subparagraph 5 (b), the notification shall also indicate the reasons for which the suspension is based.
7. The level of suspending concessions or other obligations shall be equivalent to the level of nullification and impairment. For the avoidance of doubt, any suspension of concessions or other obligations shall be restricted to those accruing to the Responding Party under this Agreement.

8. Within 30 days from the date of receipt of a notification made under paragraph 3, if the Responding Party objects to the level of concessions or other obligations proposed for suspension or considers that the principles set forth in paragraph 5 have not been followed, the Responding Party may request the arbitral tribunal to re-convene to make findings on the matter. The arbitral tribunal shall provide its assessment to the Parties to the dispute within 30 days from the date it re-convenes. Where an arbitral tribunal is requested to re-convene pursuant to this paragraph, it shall re-convene within 15 days from the date of the request, unless paragraph 10 of Article 11 (Establishment and Re-convening of an Arbitral Tribunal) applies.
9. The suspension of concessions or other obligations shall be temporary and shall only be applied until such time as the obligation in paragraph 1 of Article 15 (Implementation) has been complied with or a mutually satisfactory solution is reached.
10. Where the right to suspend concessions or other obligations has been exercised under this Article, if the Responding Party considers that:
  - (a) the level of concessions or other obligations suspended by the Complaining Party is not equivalent to the level of the nullification and impairment; or
  - (b) it has complied with the obligation in paragraph 1 of Article 15 (Implementation),it may request the arbitral tribunal to re-convene to examine the matter.<sup>21</sup>
11. Where the arbitral tribunal re-convenes pursuant to subparagraph 10 (a), paragraph 8 shall apply, mutatis mutandis. Where the arbitral tribunal re-convenes pursuant to subparagraph 10 (b), paragraphs 3 to 5 of Article 16 (Compliance Review) shall apply.

2. Where one or more of the Parties to a dispute is a newer ASEAN Member State, the arbitral tribunal's reports shall explicitly indicate how it has taken account of relevant provisions on special and differential treatment for a newer ASEAN Member State that form part of this Agreement and have been raised by the newer ASEAN Member State in the course of the dispute settlement procedures.
