M. +52 56 4162 1047

[isaac.morales@fticonsulting.com](mailto:isaac.morales@fticonsulting.com)

## Location

Mexico City

## Education

Master of Arts in Diplomatic Studies, Instituto Matías Romero

Graduate Certificate on Cybersecurity Strategy, Florida International University

BA in International Relations, National University of Mexico (UNAM)

**Isaac Morales brings nearly twenty years of professional experience on cybersecurity, data privacy, emerging technologies, strategic trade regimes, and anti-corruption and anti-money laundering policies.**

Prior to joining FTI, he occupied senior level positions in Mexico's Ministry of Foreign Affairs, and leading roles in the United Nations and other international organizations.

Mr. Morales was distinguished by the UN Secretary General as member of the Group of Experts to Advance Responsible State Behavior in Cyberspace (GGE), and he served as Chairperson of the Organization of American States' Working Group on Confidence-Building Measures in Cyberspace. As former member of Cyber & Tech Ambassadors network, and of the Global Partnership on Artificial Intelligence, he advanced key collaborations with private sector and regulators to manage and respond to cyber crisis. He represented his country in the cyber-experts trilateral dialogue between Mexico, USA, and Canada.

He is a graduate of the National University of Mexico (UNAM) and holds a Masters' degree from Instituto Matias Romero, Mexico's diplomatic academy. He also holds graduate studies from Florida International University, Geneva's Graduate Institute and Ortega y Gasset Institute of Spain.

## International recognition

- Mr. Morales has participated as keynote speaker in numerous international events, including Singapore's Cybersecurity Week, UNIDIR's Cyber-Stability Conference, National Cybersecurity Week of Mexico, RSA Conference, and DiploFoundation's Cybersecurity Leadership program
- He was recently invited by the Center for Strategic International Studies (CSIS) to its Podcast *Inside CyberDiplomacy*.
- He was distinguished as Vice-president of the Confidentiality Commission of the Organization for the Prohibition of Chemical Weapons (OPCW).
